

Privacy Policy

The Science of Fun respects your privacy. Creating a registration means that all of the information used when creating that registration will be kept entirely private, including names, addresses, phone numbers, and any financial information.

The Science of Fun does not use or distribute any personally identifiable information collected during a registration, and only the event organizer has access to this information.

We do NOT sell lists of personal information.

We do NOT solicit individuals who register via signupanytime.com for any signupanytime.com products or services.

If you have questions or concerns about this statement, please contact Signup Anytime Support by phone, postal mail or e-mail.
